

REMARKS

The specification is hereby amended to claim priority to the parent application. The drawings and the specification are also amended to show one embodiment of a stabilizer (250) as included in one embodiment of a delivery catheter. Applicants hereby cancel claims 1-15. No new matter is being entered thereby. Claims 16-30 are currently pending and submitted for examination. Claims 16-30 were filed originally in the parent application but restricted out of that application..

CONCLUSION

Applicants respectfully request entry of this amendment and allowance of claims 16-30 in due course.

Respectfully submitted,
